

Bluebay Home Loans Credit Guide

This document provides information about the loans provided by us. We are licensed to provide loans under the National Consumer Credit Protection Act 2009 (**NCCP Act**). The NCCP Act regulates the activity of lending, leasing and finance broking.

Bluebay Home Loans Pty Ltd is a proudly Australian owned company which was established to provide competitive home loan solutions for our clients. We have an extensive product suite from various wholesale funders which enables us to help more Australians with their finance requirements. The key to our philosophy is the pride we take in the professionalism and service levels that we deliver to our clients.

Obligations in assessing you for a loan.

Under the NCCP, any loan or loan variation offered to you must not be 'unsuitable' for you.

You may therefore be asked some questions in order to ensure that:

- you can comply with your financial obligations under the loan.
- you can meet your financial obligations under the loan without substantial hardship; and
- the loan will meet your requirements and objectives.

It is therefore very important that the information you provide is true, current, and accurate and includes any likely future changes that will impact your ability to repay the loan contract.

To complete the credit assessment, Bluebay Home Loans will make reasonable inquiries about your requirements and objectives for the loan contract or loan contract limit increase. We must also make reasonable inquiries about your financial situation and take reasonable steps to verify your financial information.

Before entering into a Loan with us, you may ask for a copy of our credit assessment and it will be provided to you as soon as possible after receiving your request. If requested within 2 years of the assessment, it is provided within 7 business days. After that (up to 7 years) within 21 business days of your request. If you decide not to enter into a Loan with us or we do not provide a Loan to you, you are not entitled to a copy of our credit assessment.

Before you accept your loan contract, make sure you read the loan contract carefully to understand full details of the loan. If you have any doubts, you should obtain independent legal and financial advice before you enter any loan contract.

Fees and commission

Under your loan contract, you will be required to pay an Establishment Fee when the loan is advanced. This fee covers our costs associated with funding and managing your Loan. It will be paid to Bluebay Home Loans Pty Ltd on or before we advance the Loan to you.

You may also be required to pay a monthly servicing fee to cover Bluebay Home Loans Pty Ltd costs associated with the on-going administration of your loan. You may also be required to pay third party fees and charges.

If you fail to make a payment by the due date, late fees and enforcement fees may become payable and if a payment that you make is dishonored, dishonor fees may also be charged. Full details of the fees and charges applicable to your Loan are set out in your Credit Contract

Bluebay may pay referral fees and commissions to persons who introduce loans to us, including builders, real estate agents and brokers. Details of the commissions and referral fees that we pay are detailed in your credit contract. **Commissions and referral fees are not fees payable by you.** However, you may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.
